

The figure consists of two vertically aligned bar charts. The left chart has a y-axis ranging from 0 to 3000 with major grid lines every 1000 units. The x-axis ranges from -2 to 2 with major ticks at -2, -1, 0, 1, and 2. The bars are dark gray and have a uniform width of approximately 0.1 units on the x-axis. The height of each bar is constant at approximately 2400 units, except for the central bar at x=0 which is significantly taller, reaching nearly 3000 units. The right chart has a y-axis ranging from 0 to 1000 with major grid lines every 1000 units. The x-axis ranges from -5.0 to -2.0 with major ticks at -5.0, -2.0, and -1.0. It features a single dark gray bar centered at x=0 that reaches a height of approximately 1000 units.
